### Additional information

Your deposit is covered by a statutory Deposit Guarantee Scheme and a contractual Deposit Guarantee Scheme. If insolvency of your credit institution should occur, your deposits would in any case be repaid up to EUR 100.000,00.

If a deposit is unavailable because a credit institution is unable to meet its financial obligations, depositors are repaid by a Deposit Guarantee Scheme. This repayment covers at maximum EUR 100.000,00 per credit institution. This means that all deposits at the same credit institution are added up in order to determine the coverage level. If, for instance, a depositor holds a savings account with EUR 90.000,00 and a current account with EUR 20.000,00, he or she will only be repaid EUR 100.000,00.

In case of joint accounts, the limit of EUR 100.000,00 applies to each depositor. Deposits in an account to which two or more persons are entitled as members of a business partnership, association or grouping of a similar nature, without legal personality, are aggregated and treated as if made by a single depositor for the purpose of calculating the limit of EUR 100.000,00. In the Cases listed in Section 8 (2) to (4) of the German Deposit Guarantee Act (Einlagensicherungsgesetz) deposits are protected above EUR 100.000,00.
